

The Board of Directors
Otter Housing Association Inc.
Port Rexton

15 April 2024

Dear Board Members,

I would like to begin by thanking you all for a wonderful term with OHA. Your support has allowed me to grow as a director and continue to develop skills involved in communications and decision-making. For this reason, I would like to be considered as a Board Member for the next two year term beginning at the approaching AGM.

As a local who has experienced the challenges associated with lack of affordable housing in the Port Rexton area, I feel that I provide a valuable perspective on the issues OHA strives to tackle. Growing up in a tourism-driven community has opened my eyes to the extraordinary opportunities a booming tourism industry provides, but also the hardships involved in maintaining an economically sustainable community. I commend OHA's consideration for both newcomers, looking to move into and contribute to the longevity of our community, and locals who continue to struggle with housing insecurity.

As an educator and lifelong learner, I feel a deep sense of responsibility to continue contributing to a project of this calibre and benevolence. I hope to continue advocating and educating my students and the wider community on housing insecurity across our province, while simultaneously working with OHA to combat this issue on a local scale.

I look forward to the future of Otter Housing Association and hope to be considered as a Board Member for the upcoming term.

Yours Sincerely,

Carrie Hookey
